CHAIRPERSON'S REPORT TO PARLIAMENT FOR THE 2008/09 YEAR

INTRODUCTION

The 2008/09 Chiropractic Board year was marked by the appointment of five new Board members. Initially it was expected that it would take some time for the new Board to establish its own character and direction, however this has not been the case. From its first meeting the new Board has worked harmoniously; despite a number of difficult policy areas requiring attention, and following a strategic planning meeting in February 2009, a clear work programme has been established prioritising the following objectives:

1. The establishment of a competency based registration examination for introduction in September 2009,
2. The resolution of all outstanding conduct and competency cases before the Board,
3. Implementation of a new policy on recertification and competence,
4. Establishment of a Board Communication strategy,
5. Establishment of a fully documented policy manual of all Board protocols, and
6. Establishment of a clear transition plan for the appointment of a new Board Registrar.

COMPLAINTS

One of the ongoing themes of recent Annual Reports has been the relatively large number of conduct and competency complaints received by the Board. Thirty six have been received since 2007 and the Board has earmarked considerable resources to addressing them.

At its last meeting the Board received a report which noted that the number of outstanding cases had been reduced to eleven, with many of these close to resolution. Despite the efforts made in this area it is of concern that our profession should attract so many complaints. The Board has confirmed its intention to have outstanding cases resolved by the end of 2009, and to review all past cases to identify those areas where a large number of complaints are being received and to address these areas with targeted competence programmes.

It has been a substantial task to reduce the number of cases and my thanks go to those Board members who worked so hard on bringing this area of work under control. In addition my thanks go to those Board members who are addressing the next phase of the programme; competence programmes which will target those areas where practitioners need assistance to upgrade their skills to ensure complaints are minimised.

ACCRB CONFERENCE

Each year one of the chiropractic jurisdictions in Australasia takes responsibility for organising a conference of chiropractic Board Chairs, Registrars and related staff. In 2008 it was the turn of New Zealand and this event was hosted in Christchurch in conjunction with a Board meeting.

I can report that this was a most successful meeting both for the topics covered (in particular the changes proposed to medical related Board administration in Australia) and the opportunities for networking.

Forty three delegates attended the meeting and the senior project manager for the Australian National Registration and Accreditation Scheme was a guest speaker and workshop leader.

I am pleased that the New Zealand Board was able to host this event and in so doing to demonstrate its readiness to take full part in addressing issues before the profession.

COMPETENCE EXAMINATIONS

For some time the Board's Registration Examinations have been under strong scrutiny from members of the profession, and it was against this background that the Board resolved in November 2008 to establish an examination system based on competence rather than on knowledge retention. Essentially, the aim of the transition is to establish whether a practitioner applying for registration can practice competently and safely, not whether they can recall facts and clinical detail.

To this end the Board established September 2009 as the starting date for this new type of examination and I look forward to reporting the success of this change in next year's Annual Report.

MEMORANDUM OF UNDERSTANDING

Last year I reported that after prolonged discussions the Board had entered into a Memorandum of Understanding (MoU) with the NZ Chiropractor's Association and the NZ College of Chiropractic on the evolving relationship between the organisations. The need for the MoU arose from the longstanding discussions within the profession on the administration of the Board's Registration Examinations, and the suggestion that the relationship between the parties needed to be enhanced.

I am delighted to be able to report that in the view of the Board, the MoU has been a success in that communications between the sectors or the profession have been improved and the relationships enhanced.

There are now regular occasions on which Board representatives and those of the Association and the College meet to discuss matters of mutual concern. The most recent occasion was the May 2009 Board meeting held in conjunction with the Chiropractors Association Annual General Meeting and conference. This occasion provided many opportunities for dialogue between the groups and the Board was able to provide sponsorship for a meeting which representatives of all the MoU signatories attended.

I trust that the relationships between the parties will continue to progress in the years ahead.

COMMUNICATION WITH THE PROFESSION

In addition to the meetings outlined above, the Board has continued to enhance its communications with the profession by:

- Continuing regular newsletters to members of the profession and stakeholders,
- Holding regular meetings with chiropractors in conjunction with Board meetings held throughout the country,
- Attending regular meetings with the Chairs and Registrars of the other Regulatory authorities,
- The involvement of chiropractors and lay persons in Board committees, (particularly the Education and Competence and Conduct Committees), and
- Continuing to create opportunities for meetings with representatives of the Chiropractor's Association and the NZ College of Chiropractic.

WORLD FEDERATION OF CHIROPRACTIC

Board representatives attended the World Federation of Chiropractic conference in Montreal in May 2009. On route to the conference, representatives took the opportunity of visiting kindred bodies in the US and Canada, and in particular visited a number of chiropractic education providers whose graduates regularly apply for registration in New Zealand.

One highlight of the visit was the opportunity to review world best practice in the area of continuing professional development. Discussion on this important area of the Board's work has provided information which will lead to the introduction of a new initiative in practitioner competence in the New Year.

I acknowledge the contribution of our international kindred bodies for their support in this area.

SUCCESSION PLANNING

During the year the Board was advised that the CEO would not be renewing his contract when it expired in 2010. Mr Bale will then have completed ten years with the Board and plans to retire.

Accordingly, the Board has begun planning for the appointment of a new CEO in early 2010, with the intention that appointee will be confident to take over this role from 1 April. There will be a reasonable cross over period where Mr Bale will be able to assist the new appointed to become familiar with the role.

BOARD MEMBERSHIP

I want to thank all Board members for their work over the last year. I have been grateful that it has taken so little time for this group to establish harmonious working relationships for the benefit of the public and the profession.

The current Board is:

Dr John Loveday (*Chairman, Nelson*)
Dr Sandy Bansal (*Deputy Chairman, Auckland*)
Dr Bruce Adam (*Auckland*)
Ms Sue Ineson (*Te Horo*)
Dr John O'Malley (*Canterbury*)
Dr Stefan Pallister (*Carterton*)
Mr Mark Saunders (*Auckland*)
Dr Robin Taylor (*Auckland*)

ANNUAL PRACTICING CERTIFICATES

In the 2008/09 year the Board issued 384 annual practicing certificates.

I am pleased to report that the Board's decision to not raise the cost of annual practising certificates to cover costs associated with the move to new offices, and the growing list of complaints, has been justified. I anticipate that the cost of the APC will continue at current levels for some time yet.

BOARD SUMMARY

1. There are currently eight member of the Board appointed by the Minister of Health,
2. The Board met six times during the 2008/09 year.

Summary of Board Committee activity:

1. The Board has five standing committees in operation during the year. All committees have approved terms of reference, and these are regularly reviewed.
2. Committees met as required through the year.

COMPLAINTS TO THE BOARD

During the 2008/09 year, the Chiropractic Board received sixteen complaints. Of these:

- Two led to the establishment of Professional Conduct Committees,
- Five led to the establishment of Competence Reviews,
- Five required no further action after consideration by the Board,
- Three were discontinued because of special personal circumstances, and
- One is awaiting the outcome of the investigation by the Ministry of Health.

In addition one case being considered during this period has been referred by the Director of Proceedings to the Health Practitioner Disciplinary Tribunal.

BOARD OFFICES

The transition to the new Board offices at 195 Upper Willis Street, Wellington is now complete. The economies of scale envisaged for the new offices (in conjunction with four other smaller registration authorities have been fully realised, and I am delighted transition costs have been more than covered by the savings obtained. In addition the new arrangement has enabled the Board to establish a more independent profile with the public and the profession.

Board contact details are:

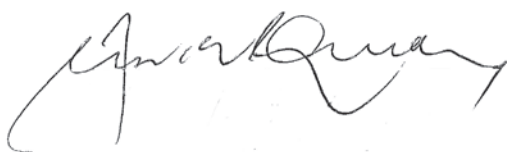

Mailing address: PO Box 10-140,
Wellington

Phone: (DD) (04) 474 0703

Fax: (04) 474 0709

Supplying to a chiropractor any document, other than a Certificate of Registration, for the purpose of seeking registration overseas	50.00
Copy of Register	50.00
Registration Examination Fee	3,000.00

BREAKDOWN OF BOARD EXPENDITURE 2009

CHIROPRACTIC BOARD

AUDITED ACCOUNTS FOR THE
2008/09 FINANCIAL YEAR

AUDIT REPORT
TO THE READERS OF
THE CHIROPRACTIC BOARD'S
FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2009

The Auditor-General is the auditor of the New Zealand Chiropractic Board (Board). The Auditor-General has appointed me, Robert Elms, using the staff and resources of PKF Martin Jarvie, to carry out the audit of the financial statements of the Board for the year ended 31 March 2009.

Unqualified Opinion

In our opinion, the financial statements of the Board on pages 10 to 13:

- comply with generally accepted accounting practice in New Zealand; and
- fairly reflect:
 - The Board's financial position as at 31 March 2009; and
 - the results of its operations for the year ended on that date.

The audit was completed on 30 September 2009, and this is the date at which our opinion is expressed.

The basis of our opinion is explained below. In addition, we outline the responsibilities of the Members of the Board and the Auditor, and explain our independence.

Basis of Opinion

We carried out the audit in accordance with the Auditor-General's Auditing Standards, which incorporate the New Zealand Auditing Standards.

We planned and performed the audit to obtain all the information and explanations we considered necessary in order to obtain reasonable assurance that the financial statements did not have material misstatements, whether caused by fraud or error.

Material misstatements are differences or omissions of amounts and disclosures that would affect a reader's overall understanding of the financial statements. If we had found material misstatements that were not corrected, we would have referred to them in our opinion.

The audit involved performing procedures to test the information presented in the financial statements. We assessed the results of those procedures in forming our opinion.

Audit procedures generally include:

- determining whether significant financial and management controls are working and can be relied on to produce complete and accurate data;
- verifying samples of transactions and account balances;
- performing analyses to identify anomalies in the reported data;
- reviewing significant estimates and judgements made by the Board;
- confirming year-end balances;
- determining whether accounting policies are appropriate and consistently applied; and
- determining whether all financial statement disclosures are adequate.

We did not examine every transaction, nor do we guarantee complete accuracy of the financial statements.

We evaluated the overall adequacy of the presentation of information in the financial statements. We obtained all the information and explanations we required to support our opinion above.

Responsibilities of the Members of the Board and the Auditor

The Members of the Board are responsible for preparing the financial statements in accordance with generally accepted accounting practice in New Zealand. The financial statements must fairly reflect the financial position of the Board as at 31 March 2009 and the results of its operations for the year ended on that date. The Members of the Board's responsibilities arise from the Health Practitioners Competence Assurance Act 2003.

We are responsible for expressing an independent opinion on the financial statements and reporting that opinion to you. This responsibility arises from section 15 of the Public Audit Act 2001 and section 134(1) of the Health Practitioners Competence Assurance Act 2003.

Independence

When carrying out the audit we followed the independence requirements of the Auditor-General, which incorporate the independence requirements of the Institute of Chartered Accountants of New Zealand.

Other than the audit, we have no relationship with or interests in the Board.

Robert Elms

PKF Martin Jarvie

On behalf of the Auditor-General
Wellington, New Zealand

Matters Relating to the Electronic Presentation of the Audited Financial Statements

This audit report relates to the financial statements of the New Zealand Chiropractic Board (Board) for the year ended 31 March 2009 included on the Board's website. The Board is responsible for the maintenance and integrity of the Board's website. We have not been engaged to report on the integrity of the Board's website. We accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the website.

The audit report refers only to the financial statements named above. It does not provide an opinion on any other information which may have been hyperlinked to or from the financial statements. If readers of this report are concerned with the inherent risks arising from electronic data communication they should refer to the published hard copy of the audited financial statements as well as the related audit report dated 30 September 2009 to confirm the information included in the audited financial statements presented on this website.

Legislation in New Zealand governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

CHIROPRACTIC BOARD

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1. STATEMENT OF ACCOUNTING POLICIES

REPORTING ENTITY

The Chiropractic Board is constituted under the Health Practitioners Competence Assurance Act 2003. These financial statements have been prepared in accordance with the Financial Reporting Act 1993.

The Board qualifies for differential reporting as it is not publicly accountable and is not large. The Board has taken advantage of all applicable differential reporting exemptions.

GENERAL ACCOUNTING POLICIES

These financial statements have been prepared in accordance with generally accepted accounting practice in New Zealand and on the basis of historical cost. Reliance is placed on the fact that the business is a going concern.

SPECIFIC ACCOUNTING POLICIES

(a) Annual Practising Certificate Income

Annual Practising Certificate Income is recorded only upon receipt. No Accounts Receivable are recognised and receipts for Annual Practising Certificates issued for future years are shown as Income Received in Advance.

(b) Goods and Services Tax

The Financial Statements have been prepared on a tax exclusive basis with the exception of Accounts Receivable and Accounts Payable which include GST.

(c) Investments

Investments are recognised at cost. Investment income is recognised on an accruals basis where appropriate.

(d) Income Tax

The Board is registered as a charitable entity under the Charities Act 2005. It is exempt from Income Tax.

(e) Property Plant & Equipment

Property Plant and Equipment are shown at original cost less accumulated depreciation. Depreciation has been calculated over the expected useful life of the Assets at the following rates:

Office Equipment 20% – 100% Straight Line

(f) Changes in Accounting Policies

There have been no Changes in Accounting Policies. All accounting policies have been applied on a consistent basis with those of the previous period.

2. CONTINGENT LIABILITIES AND COMMITMENTS

There are no contingent liabilities at the end of the year. (2008: Nil)

There are no capital or other commitments at the end of the year (2008: Nil)

3. INVESTMENT

The Board has an undivided 1/5th share in the issued share capital of Health Regulatory Authorities Secretariat Limited (HRAS). The consideration of \$20 is not yet paid.

4. RELATED PARTY TRANSACTIONS

HRAS provides administrative services to the Board on a non-profit cost recovery basis. The cost of those services for the period was \$22,314.

The five shareholding boards in HRAS have each advanced \$5,000 to that company to provide it with working capital.

5. PROPERTY PLANT & EQUIPMENT

	Original Cost	Accum. Depn.	Closing Book Value
Fixed Assets 2009			
Office Equipment	18,481	10,952	7,529
Fixed Assets 2008			
Office Equipment	5,922	5,143	779

6. FINANCIAL MANAGEMENT AGREEMENT

Health Regulatory Authorities Secretariat Limited (HRAS) has been established to provide business management support to the New Zealand Chiropractic Board, the Dietitians Board, the Podiatrists Board of New Zealand, the Optometrists & Dispensing Opticians Board and the Osteopathic Council of New Zealand (collectively 'the entities'). HRAS provides financial management support to each of the entities according to a number of conditions:

1. Each of the entities holds an undivided share in HRAS; that company was formed to provide management support to those entities.
2. Each of the entities contributed an equal sum to the working capital of HRAS. This amount has been set initially at \$5,000 each.
3. HRAS is not to make a profit from its business partnership with the entities.
4. Each board will be invoiced monthly for an equal amount equivalent to the expenses incurred by HRAS in managing its own business.
5. Each board will also be invoiced monthly for those direct costs and expenses that HRAS has incurred on its behalf.
6. At the end of each month and the financial year, HRAS will show a nil financial balance on all its operations.

At 31st March 2009 the HRAS Statement of Financial Position showed net assets of \$100.
